### BURDENED WOMEN.

We look in smazement at the burdens some women carry upon their heads. Yet how light they are compared with the burdens some women carry upon their hearts. There are childless women whose hearts ache ceaselessly because of the childless home. That burden of the childlessness has been lifted from the heart of many a woman by the use of Dr. Pierce's Favorite Prescription. Many of the obstacles to maternity are removable. Such obstacles are entirely removed by "Favorite Prescription." It contains no alcohol nor narcotic.

Married Six Years and Childless.

There of Six Years and Childless.

1 have never written you how grateful I am
to you for your help in securing good health and
one of the sweetest, dearest, thirteen pound
girls that ever came into a home, "writes Mrs. M.
Vastine, of 647 South Liberty Street, Galesburg,
Ill. "I took six bottles of Dr. Pierce's Pavorite
Prescription, four of the 'Golden Medical Discovery and four vials of Dr. Pierce's Pleasant
Pellets. Before I had taken four bottles of the
"Pavorite Prescription 'I was a new woman, I
cannot make pen describe my heartfelt gratitude, so will close by saying if any one disputes
the value of Dr. Pierce's mediciass I will be
pleased to confirm the truth of all I say if they
will enclose stamped envelope for reply."

Dr. Pierce's Pleasant Pellets are a
ladies' laxative. No medicine equals
them for gentleness and thoroughness.

HICKS FOR MAY. Hicks, the weather prophet, says:

Up to May 9 the Mercury perturbation, which was central on April 29, will continue in force, blending its will continue in force, blending its peculiar characteristics with the reactionary disturbance from the 1 to 3d, and with the regular storm period from the 5 to 10. Look for some very active storms of rain, wind and thunder from Monday 6, to Thursday, the 9. Another change to rising barometer, west winds and very cool nights will follow the storms of this period. On and about the 12 to 14 will fall a marked reaction to the storm conditions. A warm wave for the season, falling barometer and wide storm areas will be advancing from western ex-tremes during the closing days of May."

the Gezette of that day, sailed from New York for Europe yesterday. In an interview just before the steamer sailed she said:

"I am almost sorry to leave," said Mme Bernhardt, when she reached her stateroom, which was filled with flowers sent by admirers. "We have that great success and such a lovely visit. I'm in love with your country and I will come back. What do I think of American women? Ah, you would make a fiatterer of me. But certainly the American women are the perfection of their sex. No they are not Parisiennes, but they have such abundant animal life and spirits and fresh beauty. I was told abroad of the big fest of the Chicago women. It is a libel. There are ravishingly lovely women in St. Louis. The Southern women is a delight to the eyes. In Washington I was disappointed. The women have spirits, but they lack beauty. But New York seems most like home. With the exception of Parisiennes, Americans are the best dressed women in the world."

> KRUGER TO SEARCH THE SCRIPTURES. An old friend who visited President Kruger at Amsterdam yesterday found the latter entirely absorbed in the icterpretation of the Bible. To his friend President Kruger asserted that he had received communications in the night time in an audible voice, directing him to search the Scriptures. Recently the voice indicated that he should search a particular chapter, Kruger followed the direction and was much depressed on finding no reference in the chapter indicated to the troubles in South to search, when he found the text: "I nave been young, and now I am old; yet I have not seen the righteous for-saken, nor his seed begging for bread."
